

COLLECTION DEVELOPMENT POLICY STATEMENT

CLASSIFICATION: Z 1001-8999 (BIBLIOGRAPHY)

SEPTEMBER 1999

General Purpose: To support the general information needs of cadets, faculty, and staff.

Collection Level Intensity: As appropriate to the individual subject collection development policy.

Geographical Areas: No limitation.

Chronological Periods: No limitation.

Types of Material Collected: Bibliographies in print and electronic formats.

Other Factors: Interdisciplinary in support of general library reference and research needs.

Subjects and Collecting Levels: Materials will include national and trade bibliographies in English. Subject and personal bibliographies will be gathered based on the criteria of individual subject collection development policies.

Weeding Criteria: National bibliographies are generally not weeded, except as cumulative volumes are received. Subject and personal bibliographies may be weeded as newer editions are received, based on individual collection development policies, or if they're out-of-scope or very out-of-date.
